**UCSC PARKING LOT INFORMATION**

### Hourly Parking and On-site Permit Options

There are three types of campus parking:

- **R & C permits** - those that accept hourly payments on weekdays and as an exception for a flat rate on weekends.
- **specified lots only** - those that operate after 4:30 pm.
- **those that operate after 4:30pm weekdays and on weekends for a flat rate** - those that issue flat rates.

### How to Display Your Parking Permit

Your permit can be displayed with the front facing the vehicle and the permit number visible. It is not necessary to display a UCSC parking permit if you are only displaying a valid UCSC ID card or U.S. military identification.

### DISABILITY-RELATED PARKING

UC Santa Cruz has two types of parking spaces for those who have disabilities. The needs are: standard and van-accessible disabled (or DMV) parking spaces, and Medical spaces.

Medical spaces are standard-sized parking spaces intended for those who need close-in parking due to a medical condition, but who don’t require the extra space provided by DMV placard parking spaces.

If you have a DMV placard or plates, you may park in Medical, A and DMV spaces. Employees and students must display their UCSC parking permit with their DMV placard or plates.

If you have a UCSC Medical permit, you can park in any space that requires an A, B, or RMC permit. Federal law prohibits anyone without a DMV placard from parking in DMV parking spaces.

### PARKING REGULATIONS

- Regulations are enforced 24 hours a day, seven days a week, including finals week, quarter breaks, and summer.
- Each parking lot entrance sign lists the types of permits allowed there, as well as the hours when those permits are required.
- Advance permission from University Police is necessary to load or unload a vehicle outside of a marked space. Call University Police at (831) 459-2231 to request.
- Parking is prohibited outside of marked spaces.
- Parking without a valid, non-fungible pass is only for the maximum time posted on each machine.
- In general, permits are not required on the main campus during University holidays (see http://transp.ucsc.edu/parking/park-free.html) with the following exceptions:
  - in lots where permits are required at all times
  - in posted reserved parking spaces
  - when parking attendants are present during a special event

### PARKING IS NOT GUARANTEED

Purchase of a permit does not guarantee a parking space in a specific parking lot. Inability to find a parking space is not justification to park illegally. Notes left on vehicles do not constitute permission to violate parking regulations.

### ENFORCEMENT

The Parking Enforcement division of the University Police Department issues parking citations. If you have a UCSC Medical permit, you can park in any space that requires an A, B, or RMC permit. Federal law prohibits anyone without a DMV placard from parking in DMV parking spaces.
