

Organizational Reflection Questions, 2022-23

Please take a moment to review and answer the questions below with your leadership team. This will support our ability to go more in-depth during our Advisor Agreement meeting.

1. What is your organization's mission? How well does your organization understand and commit to it?
2. What do you feel were the successes and challenges from the last academic year? What are ways that you have found to maintain the successes and address the challenges?
3. What are the opportunities and challenges that you feel the RSO will be facing this academic year?
4. As a leadership team, what are your strengths? Where do you want or need to grow?
5. How well does your organization retain committed members and leaders?

6. How well do you all understand your organization's finances?

7. What events, productions or programs is your organization planning this year? Please describe the process your organization uses for choosing, planning and implementing an event.
